

Clara Barton

March 30, 1940.

Dear Mr. Epler:

We thank you for your letter of the 26th, calling our attention to the error in the birthday of Clara Barton. The New York Times printed it as 1830, but, in going over all of our records, we find no basis for the error - as all of our records indicate the date of birth as 1821.

If, in our next newspaper release, we use the dates of birth and death again, as well as biographical material, we shall be guided by your suggestions.

With appreciation of your interest, believe me,

Sincerely yours,

Assistant to the Acting Director.
